EASY AND CONVENIENT FOOD PARCEL COLLECTION

Shopping behaviour has changed, and shoppers have embraced online shopping for convenience and safety.

As e-commerce booms, deliveries management has become a critical issue for retailers. Jordão's Click & Collect lockers are an opportunity to improve parcels deliveries, increase consumer satisfaction and grant maximum food freshness.

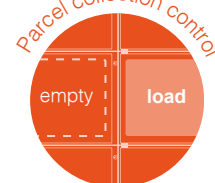

Reduces delivery time and costs
including transportation and labour.

Eliminates unsuccessful deliveries
due to buyers' absence or unavailability.

Offers 24/7 parcel collection
to when it's most convenient.

Reduces the carbon footprint
eliminates the multiple delivery locations.

Ideal for installing wherever convenient
Shopping Centers, Co-working and Co-living Spaces, Parking Lots, Transport Hubs, ...

Plug-in and scalable design

easy to install and setup in sets of 2 columns, with 4 different locker sizes to choose - S, M, L and XL (not available for all versions).

Foodstuffs always fresh & hot

ideal for frozen, refrigerated, and heated products.

-18°... -15 °C
3L1

-1°... +5 °C
